

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

The annual ODE report card issued offers a picture of how our high school is performing. This year's report card is similar to last year in the fact that schools were not given an overall rating of 1-5. Also, this was the second operational year of English Language Arts and Math assessments that measure college/career readiness, better known as Smarter Balanced (SBAC). Only the junior class at (NCS) participated in these tests with 66.7% of student earned a level 2, 3 or 4 in English Language Arts this was a decrease of 14.6% from a year ago. In Mathematics we showed an increase of 25% for students earning a level 2, 3, or 4 jumping from 50% to 75%. Our Science scores also increase from the prior year by 14.5%. Even though overall completion rate dropped to 58.3% our students with disabilities

earned 100% completion. One of our main goals was to improve the attendance rate and we did, our regular attenders increased from 59.2% to 70%.

Nixyaawii Community School will continue to focus on individual student achievement and improving attendance rates. You can help by monitoring academic performance and attendance, encouraging participation in after-school activities or athletics, or even volunteering. We look forward to partnering with you this year!

Thank you,

Principal | Ryan Heinrich

**OVERALL SCHOOL RATING**

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.
